

## KB-VDP03GN

Apartment Outdoor Station

### Features

- HD CMOS camera
- Aluminum panel, IP54
- Night vision & Voice indication
- Local card opening
- Video & Audio messaging
- Flush mounted

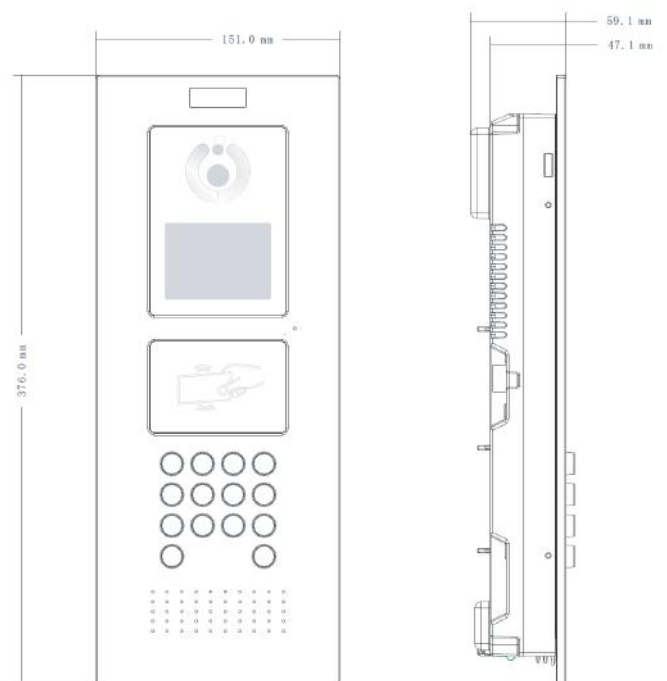

### Technical Specification

|                              |                                     |
|------------------------------|-------------------------------------|
| <b>Model</b>                 | <b>VDP03GN</b>                      |
| <b>System</b>                |                                     |
| Main Processor               | Embedded Micro Processor            |
| Operation System             | Embedded LINUX OS                   |
| <b>Video</b>                 |                                     |
| Video Compression            | H.264                               |
| Image Sensor                 | 1/3" 1.3MP CMOS                     |
| Lens                         | 3.6mm                               |
| Angle of View                | D:95° H:75°                         |
| Day/Night                    | Color Image                         |
| <b>Audio</b>                 |                                     |
| Audio Compression            | G.711                               |
| Audio Input                  | Omnidirectional Mic                 |
| Audio Output                 | Built-in Speaker                    |
| Bidirectional Talk           | Support Dual-way Bidirectional talk |
| <b>Display</b>               |                                     |
| LCD Screen                   | 3.5" TFT 320x240                    |
| <b>Operation Mode</b>        |                                     |
| Keypad                       | Mechanical Button                   |
| Reader                       | Mifare Card                         |
| <b>Approaching Induction</b> |                                     |
| Body approaching             | 1m                                  |
| <b>Interface</b>             |                                     |
| Door Control                 | 1                                   |
| Alarm In                     | 2(1ch unlock button, 1ch feedback)  |
| RS485                        | 1                                   |
| <b>Network</b>               |                                     |
| Ethernet                     | 10M/100Mbps                         |
| Network Protocol             | TCP/IP                              |

### General

|                     |                        |
|---------------------|------------------------|
| Ingress Protection  | IP54                   |
| Tamper Switch       | 1                      |
| Installation        | Flush                  |
| Material            | Aluminum               |
| Power               | DC 12V                 |
| Power Consumption   | Standby 1W, Work 10W   |
| Working Temperature | -40°C~+60°C            |
| Relative Humidity   | 10%-90%RH              |
| Dimensions          | 151.0mm×376.0mm×59.1mm |
| Weight              | 1.6Kg                  |
