

KN-H21P

1080P H.265 Wi-Fi Pan & Tilt Camera

Design and specifications are subject to change without notice. Pictures in the document are for reference only, and the actual product shall prevail.

With 1080P Full HD live monitoring and 0~355° pan & -5~80°tilt features, KN-H21PA ensures every corner of your home completely covered. Human Detection quickly finds human targets in images and immediately sends a notification to you. Privacy Mode helps protect your personal privacy when you are home, and Smart Tracking function lets the camera follows moving objects when it detects motion.
